Bereavement Services

## Remembering your loved one

Every day at Rainsbrook Cemetery and Crematorium we meet families facing bereavement in their own private way. We understand the trust placed in us by the bereaved and pride ourselves on providing a sympathetic and supportive service which meets your needs.

Set in the heart of the Warwickshire countryside, Rainsbrook offers a peaceful and picturesque setting for remembering your loved one. Overlooking the Rainsbrook Valley, the cemetery and crematorium complements its stunning location with beautifully landscaped grounds and memorial gardens, open to visitors all year round.

We offer our range of memorials to everyone, regardless of whether the funeral service took place at Rainsbrook. Similarly, you do not have to be the executor or next of kin to choose a memorial.

Our team, recently awarded the gold standard under the Institute of Cemetery and Crematorium Management's Charter for the Bereaved, can help you through the process of choosing a memorial and writing an inscription. You can contact the Rainsbrook team on (01788) 533715 or email [rainsbrook@rugby.gov.uk](mailto:rainsbrook@rugby.gov.uk)

## Traditional Book of Remembrance

Carefully hand bound in the finest, traditional materials, our Book of Remembrance offers a beautiful and permanent memorial.

The book is displayed in the crematorium's Remembrance Room, with the page turned each day to show the current date's entries.

You can choose a two, five or eight line inscription, together with a symbol or emblem of your choice, to be inscribed in the book by our calligrapher.

Book of Remembrance inscriptions can also be reproduced in our Memorial Cards and Memorial Books, suitable for sending to friends or relatives who may be unable to visit the crematorium.

## Armed Forces Memorial Wall

Our Armed Forces Memorial Wall, dedicated by the Bishop of Warwick, provides a fitting place to commemorate the life of a loved one who served in the armed forces, auxiliary services or support services.

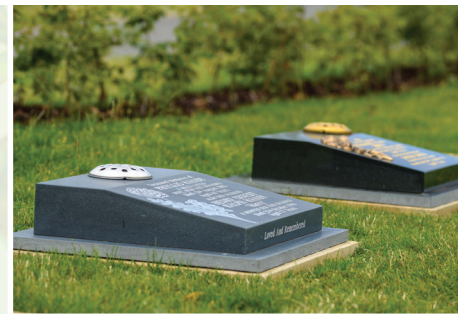

You can choose the inscription of your choice on a traditional slate plaque, complete with a regimental insignia.

## Memorial Boulders

We have created an avenue of natural stone boulders, each with an inset plaque which can be dedicated to a loved one.

Each plaque has space for two inscriptions and can be personalised with a design of your choice

## Memorial Vase Tablet

Should you choose to have your loved one's ashes buried rather than scattered in our Gardens of Remembrance, you can purchase an individual grave plot with space for two caskets of cremated remains.

A traditional form of memorial, the granite vase tablet is available in a range of colours and can be personalised with bronze ornamentation, designs and photographs of your loved ones.

## Memorial Benches and Trees

We have a number of memorial benches and trees in our Gardens of Remembrance available for dedication.

## Memorial Tree of Life

Inscribed leaves and butterflies on our striking, modern Memorial Tree of Life can be dedicated to a loved one.

## Pond Markers

Natural stone memorials dedicated to a loved one can either be placed at the water's edge at our pond or on the pathway leading to the pond.

## The Barbican Memorial

Plaques on our Barbican Memorial can be dedicated to a memory of a loved one. The emerald pearl granite plaques can be engraved with a personal inscription and a wide range of designs.

## Memorial Jewellery and Paperweights

Our jeweller has developed a unique range of memorial jewellery, available in sterling silver or 9ct gold.

Using a patented process to fuse a small amount of ashes into crystal glass and metal, the jewellery collection offers a unique, personal way to remember your loved one.

Our memorial paperweights represent a spiritual embrace, with the ashes displayed within the paperweight and a personal message engraved underneath.

## Caskets and Urns

We have a selection of memorial caskets, urns and keepsakes available both for interment and display at home.

For help, advice or more information about our range of memorials, visit Rainsbrook Cemetery and Crematorium, Ashlawn Road, Rugby, CV22 5ET.

You can contact the Rainsbrook team by calling (01788) 533715 or emailing [rainsbrook@rugby.gov.uk](mailto:rainsbrook@rugby.gov.uk)
